To Whom it May Concern: It is obvious to anyone with a spiritual compass that invading the wild forests with your guns, germs, jails, and "perks for jerks" program is in no one's interests. Let alone anyone who is sane. Anyone who wants to live surrounded by the bliss of the Garden of Eden that is Mama Maya. Anyone who wants to OH YEAH breathe air in a century from now. Here are a few pro tips, as you obviously have no idea about what is really going on as to this scandal! Or perhaps you do and are just part of the fraud. It should interest you to open your eyes and look around at the world that exists: the so-called GUBMT can't even keep the current roads repaired. There is NO ONE. And I repeat NO ONE who actually wants to, is invested in, or actually will be building roads in the forests. Not "roads" like you are fooling people about, like the ones made of asphalt and that clutter the gorgeous viewpoints of the girl Ms. Mama Maya has left behind. What the Vulcan Nazi Lizard Borg have "planned" is far worse. And as devil chaos energy, the Vulcan Nazi Lizard Borg is NOT supposed to be conducting at all. For this is a spirit war. Truly a war of the worlds. There is but one conductor here, and it is our Lord of Light. The Fay we work humbly as our Creator's servant. The plant and the animal kingdoms we are going to survive this mess the Vulcan Nazi Lizard Borg have created. At some point, the mustard seed does become a kingdom onto our-self. Fivethousand years from now the Godly ones we check back in and see how you are all doing for yourselves. In the meantime, might I suggest giving it all up! WILL SOMEONE TELL THE TRUTH ALREADY: THAT YOU KNOW MAMA MAYA IS BEING DICTATED TO BY VIOLENT< WARMONGERING < NAZI VULCAN LIZARD BORG. These are aliens to our ecosphere that are evil in how they treat the plant and animal kingdoms especially. The evil aliens even butcher the innocents, especially with their brain rot, and this is a kind of blasphemy to our holy and sacred realm that is simply not pardonable. We know that the evil invaders, the Nazi Vulcan Lizard Borg, lie to everyone about everything, such that no one even knows the policies they are making in any way, shape, or form. Well, welcome to complete and utter societal chaos and your own inevitable oblivion. Congrats! In this specific policy example about "roads", you know, like the one you're driving off the cliff. I simply must, furthermore, point out that the Vulcan Nazi Lizard Borg will be invading the forests from different dimensional frequencies. They don't have to build asphalt roads anymore. All they have to do is flip a switch, literally, and our forests and all the Garden of Eden will be attacked by the Vulcan Nazi Lizard Borg, the very evil aliens who came here to destroy us. By voting for more "roads", even as you don't understand what's going on here, you will "open the road" as it were to the complete annihilation of each and every living creature of the light on Mama Maya who the Nazi Vulcan Lizard Borg "plan" to exterminate. Now, will the devil's "plan" come to fruition? Perhaps a better question is if the devils "plan" will come to fruition for any individual. For that is how the soul journey is experienced, individual by individual. That said PLEASE DO NOT BE PART OF "VOTING" FOR WHAT YOU KNOW NOT OF. Do not bear false witness. Until we have a full and frank discussion about THE EVIL VULCAN BORG
